

DEUTSCHE BANK GROUP SAP BUSINESS NETWORK ACCOUNT CREATION

- 1 Log in to the SAP Business network supplier portal using the following link – supplier.ariba.com
- 2 Click on **'Register now'** section as shown below to create a new SAP Business network account

- 3 On the registration page, update the details (marked with asterisk is compulsory) under **'Company Information'** and **'Administrator account information'** sections.

Please note the following-

1. User Name

- Your username must be in email format (e.g. nick@abc.com)
- Usernames are case-insensitive and must have the form of an email address.
- Usernames can include any Latin character and the underscore (_) and period (.) punctuation marks.
- If you receive an error message, stating e-mail id has been already registered on SAP Business Network, kindly use a new User ID to register the new account. However, you may still enter e-mail details on the email field, to reset or recover the User name or password in future, if necessary.

2. Passwords

- The minimum password length is eight characters and must contain at least one numeral.
- Passwords can contain Latin characters and punctuation marks
- The passwords are case-sensitive.

The screenshot shows the SAP Business Network registration page. On the left, there is a white box with the heading "What to expect when you create an account:" and three numbered points: 1. Digitalize your business, 2. Ensure resiliency and sustainability, and 3. Act with Intelligence. The main content area is a registration form titled "Create a free company account to connect with your customers on SAP Business Network". The form is labeled "Company information" and includes fields for: DUNS number, Company (legal) name, Country/Region (set to United States | USA), Address line 1, Address line 2, Address line 3, City, State (Choose a state), and Zip. A yellow box with the number "3" is positioned to the left of the form, and a red bracket highlights the entire registration form area.

4 Read the terms and conditions of SAP Business Network carefully and check the check boxes against them and click on **Create account**
